Ø 380 ↓ 700–2160 (mm)

3 x E27 20W

Polished Nickel/Clear

*over 2m drop*

## DUISK

Each E27 pendant light in this range is fixed within a mesmerising structure formed by building together substantial clear crystal pieces. The overall shapes include a serene teardrop outline, a more angled diamond shape, regal orb formations, umbrella domes and cylindrical columns. This comprehensive collection, also includes flush fittings, a wall and table lamp. The modern shapes are tempered by more traditional polished nickel, french gold or antique brass borders forming a contemporary range.

Range Characteristics:  
5 Distinct Shapes
