Ø 1120 ↑ 1780–4830 (mm)

29 x E14 20W, 23.8kg

Polished Chrome

1.2m diameter!!

EASTEND

Our designers have taken a classic chandelier design and replaced traditional components with more specialised modern parts to present a contemporary collection. Typical metal arms have been exchanged with clear glass ones which are each draped with high quality clear crystal buttons and tear drops. Due to the fragile glass arms, all ceiling lights require assembling.
