12 x G9 10W

Polished Chrome/Iridescent

# HAVANT

This is a fun, bubbly & inventive design. The frames are host to a collection of unique coloured glass spheres in which the G9 lamp holders are concealed. This creative concept emits an intriguing presence when the light from the chosen G9s is dispersed through the tinted effect yet its artistic structure leaves a standout piece even when not in use. Now available with more lighting options and iridescent glass to create the look that you want.
